Mitchell,

I have the dates you needed listed below. I'm glad I wrote it down in my planner at the time! Also included are the middle names that I could find off of the KSU data base. Plus, middle names you didn't need because at that point it was kind of hilarious. I couldn't creep hard enough to figure out Jessica's middle name. I'm not sure if you needed corresponding secretary *ELECT* or not, but at the very least we will need it next semester so I sent her an email asking for it.

Thank you so much for being on top of this, and let me know if you need anything else!

Hey Caroline,

I just need some dates for the officer report such as: election date, term begin, and term expire.

Oh also it looks like I will need middle names for the President, Vice President, Treasurer, Recording Secretary, and Corresponding Secretary

Thank you,
Mitchell Fowler
